BEN 10

BRAND NEW EPISODES

WEEKENDS, 8:30AM FROM FEBRUARY 3

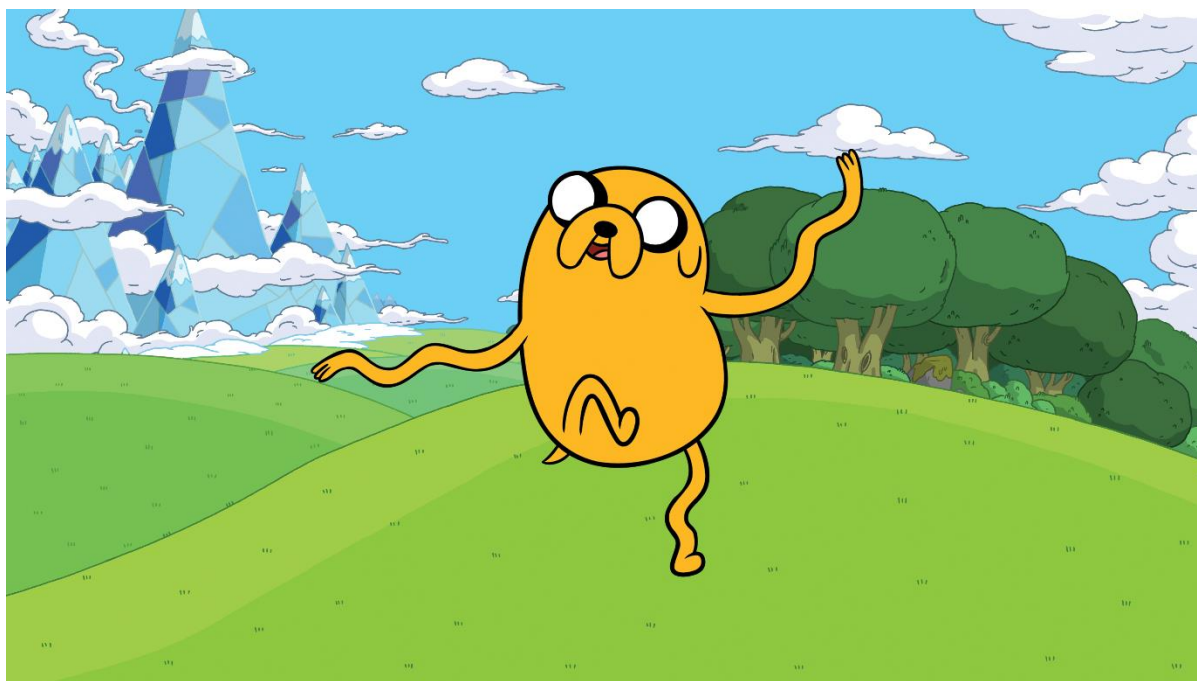

All the Action – Aliens! Battles! Explosions! Weapons! Bad Guys! All the ingredients for an adrenaline-fueled action hero in these brand new season 2 episodes!

Ben's aliens are equipped with new omni-enhanced powers, though Ben does not fully understand why, he is figuring out how to best use them against the forces of evil.

When Vilgax commandeers the launch of experimental space plan, Ben must stop the baddie from weaponising the shuttle. Lucky for Ben, he has omni-enhancements at his disposal – energised constructs that upgrade Ben's aliens in a huge way!

SUPERNOOBS

BRAND NEW SEASON

WEEKDAYS, 4:25AM FROM FEBRUARY 5

The Super-Tastic Supernoobs, is where the evils of the universe and the evils of adolescence collide. It's where four 12-year-old nerdy best-friendies - Kevin, Tyler, Shope, and the Roach no longer have to just survive the harrowing hallways of middle school, but have to survive microcosmic assassins infecting earthlings bent on destroying them and the Earth! Sometimes it's hard to decide which mission is harder!
